Sensory Gardening Day

Tuesday, 12 May 2026

Dear Parents and Carers,

We are excited to invite you to take part in a Community Gardening and Sensory Garden Day at our school.

On Saturday, 30 May, we will be working together to help develop our school grounds by planting, tidying, and creating a sensory garden that our pupils can enjoy throughout the year. This will be a relaxed, sociable event and a lovely opportunity for our school community to come together while making a lasting improvement to our outdoor environment.

Event details:

Date: Saturday 30th May

Time: 09:00 – 12:00

Location: School grounds

Parents and carers are very welcome to bring their children along. Children must always remain under the supervision of their parent or carer.

No previous gardening experience is needed. We will provide tools and guidance, although you can bring your own gloves if you wish. Please wear suitable clothing and footwear, as we will be working outdoors and may get muddy. Refreshments will be available.

This event will help support our pupils' wellbeing, learning, and sensory development, and we would be delighted if you could join us — even if only for a short time.

If you can attend, please let us know via Arbor by Monday, 26 May so we can plan accordingly.

Thank you for your continued support. We look forward to welcoming you for what we hope will be an enjoyable and rewarding morning.

Yours sincerely,

Elmhurst School
