Alfred Rose Park

Dear Parents/Carers,

Your child has been invited to Alfred Rose Park on **Wednesday 25 March, 2026** to take part in sowing wildflower seeds as part of the Earthwatch Tiny Forest project. The session will take place during the school day from 1.20pm to 3pm and will be led by Louise Hartley, a Senior Programme Manager at EarthWatch. Miss Cawley and Mrs Coba will also be supervising the children throughout the afternoon.

This is a unique experience for the children and will enable them to get close to nature working alongside a team of expert conservationists whilst contributing to our local environment.

We also aim to foster in children an interest in the natural world and encourage them to take responsibility for caring for the environment.

This session will take place in the children's usual Forest School time slot.

Your child needs to come to school on **the above date** wearing:

- A named thick waterproof coat;
- Layers as part of their PE kit (named vest, named long sleeved T-Shirt, named warm jumper);
- Hats and gloves – named;
- Thick socks – named;
- Appropriate warm footwear - named (walking boots or wellies).

Please can you send your child to school on this day with named boots/wellies.

All children will participate in the Forest School sessions and these will take place in all weather conditions except if there are thunderstorms or high winds forecast.

Yours sincerely,

Miss Cawley
