Year 6 Transition Meeting with EP

Dear Parents and Carers,

As your child prepares to take the exciting next step from Year 6 to Year 7, we understand that this transition can bring a mix of emotions and questions for both students and families. To support you and your child during this important time, we are pleased to invite you (parents/carers only, no children or siblings) to a special session with our link Educational Psychologist, Dr Amy Rodriguez.

Session Details: Date: Monday, 7 July Time: 9:00 – 10:15am Location: The Harding Room

Dr Rodriguez will be leading a session focused on the Year 6–7 transition, offering insights into the emotional, social, and academic changes your child may experience. She will also share practical strategies to help you support your child through this period of change and answer any questions you may have.

We warmly encourage all Year 6 parents and carers to attend this valuable session. Your involvement can make a significant difference in helping your child feel confident and prepared for secondary school.

Please RSVP your attendance [here](#)

We look forward to seeing you there.

Yours sincerely,

Mrs C Bunce
